| 1. Number of students limited        | 20 Students  |               |              |           |             |  |
|--------------------------------------|--|---------------|--------------|-----------|-------------|--|
| 2. Plan of study                     | Plan A1, Plan A 2, Plan B  |               |              |           |             |  |
| 3. Instruction Administration        | Monday - Friday  |               |              |           |             |  |
| 4. Format of Instruction             | Online and Onsite  |               |              |           |             |  |
| 5. International Student Tuition fee | 56,000 Bath/Semester   |               |              |           |             |  |
| 6. Course Structure                  | Course Structure   | Plan of study |              |           |             |  |
|                                      |  | Plan A1       | Plan A2      | Plan B    |             |  |
|                                      | Compulsory Course Credit   | -             | 9            | 15        | <u>-</u>    |  |
|                                      | Elective course (no more than)   | -             | 3            | 15        | _           |  |
|                                      | Thesis   | 36            | 24           | -         | -           |  |
|                                      | Minor Thesis   | -             | -            | 6         | -           |  |
|                                      | รวม  | 36            | 36           | 36        |             |  |
| 7. Qualification of applicants       | Plan A1  |               |              |           |             |  |
|                                      | 1. Bachelor's Degree holders with a GPA of minimum 3.25/4 or                       |               |              |           |             |  |
|                                      | 2.Bachelor's Degree holders or equivalent with work experience in the field        |               |              |           |             |  |
|                                      | related to Environmental management for at least 1 year and have the letter of     |               |              |           |             |  |
|                                      | recommendation by employer or  |               |              |           |             |  |
|                                      | 3. Bachelor's Degree holders or equivalent in all major with research experience   |               |              |           |             |  |
|                                      | or a publication in at least national journal                                      |               |              |           |             |  |
|                                      | 4. Other requirements are subjected to the program committee considerations.       |               |              |           |             |  |
|                                      | Plan A 2   |               |              |           |             |  |
|                                      | 1. Bachelor's Degree holders with a GPA of minimum 2.50/4 or                       |               |              |           |             |  |
|                                      | 2.Bachelor's Degree holders or equivalent with work experience in the field        |               |              |           |             |  |
|                                      | related to Environmental management for at least 1 year and have the letter of     |               |              |           |             |  |
|                                      | recommendation by employer or  |               |              |           |             |  |
|                                      | 3.Bachelor's Degree holders or equivalent in all major and have proposed           |               |              |           |             |  |
|                                      |  |               |              |           |             |  |
|                                      | research topic related to the program with approval by the curriculum president or |               |              |           |             |  |
|                                      | 4. Other requirements are subjected to the program committee considerations.       |               |              |           |             |  |
|                                      | Plan B   |               |              |           |             |  |
|                                      | 1.Bachelor's Degree holders o  | r equivalent  | t in all mai | or and ha | ve proposed |  |
|                                      | 1.Dachetors Degree Hotders of  |               |              |           | ie pioposee |  |
|                                      | research topic related to the program wi   |               | -            |           |             |  |
