

## Master of Science Program in Plant Science

Candidates for the M.S. degree are expected to demonstrate mastery of knowledge in a specific subject area and conducting original research under the supervision of thesis advisors and the article must be published in peer-reviewed scientific journal. The Master of Science Program in Plant Science offers 4 subject areas of study as below

- Crop Biotechnology
- Physiology of Crop Production
- Plant Breeding
- Seed Technology

Applicants can apply upon his/her research interests.

1. Number of students limited	15 students		
2. Plan of study	Plan A1 : Thesis only (36 credits)		
3. Instruction Administration	Monday - Friday		
4. Format of Instruction	Online / Onsite		
5. International Student Tuition fee	56,000 Baht/Semester		
6. Course Structure	<b>Course Structure</b>	<b>Plan of study</b>	
		Plan A1	Plan A1
		Plan A1	Plan B
	Credit	-	9
	Audit (no more than.....)	-	9
Thesis	36	18	-
	<b>รวม</b>	36	36
7. Qualification of applicants	<p>Qualifications are listed below:</p> <ol style="list-style-type: none"> <li>1. Applicants have completed a bachelor degree in Agricultural Science (Plant Science, Horticulture, Agronomy or the related field).</li> <li>2. Applicants who are responsibility in plant science research in government office or private sector, or</li> <li>3. Applicants have minimum Grade Point Average (GPA) of 2.75 on a 4 point scale, and must have research experiences such as special problem or research assistance. The certification of research experiences from former academic advisors or head of research projects is also required.</li> </ol> <p>Applicants must have other qualifications in accordance with the rules and regulations of Prince of Songkla University for graduate study.</p>		

<p>8. Application documents required by program</p>	<ul style="list-style-type: none"> <li>- Official Transcripts indicating all undergraduate courses attended and the award of the bachelor's degree.</li> <li>- Degree of certificate.</li> <li>- Letters of recommendation, endorsed by professional colleagues, supervisors, and/or professors who are able to comment on your ability to be a successful graduate student.</li> <li>- Publications or research report of applicants.</li> <li>- Draft of Thesis proposal or research plan.</li> <li>- English proficiency test.</li> </ul> <p>All the required items should be submitted online via PSU Graduate School Admission System.</p>
<p>9. Contact info</p>	<p>9.1 Chairperson of the Program Committee :</p> <p style="padding-left: 40px;">Asst. Prof. Dr. Ladawan Lerslerwong</p> <p style="padding-left: 40px;">Tel. +6674-286150    E-mail: <a href="mailto:ladawan.l@psu.ac.th">ladawan.l@psu.ac.th</a></p> <p>9.2 Academic staff : Miss Thanyarat Suwanno</p> <p style="padding-left: 40px;">Tel. +6674-286138-9    Email: <a href="mailto:thanyarat.s@psu.ac.th">thanyarat.s@psu.ac.th</a></p>

Test schedule : Program will contact directly the applicant
