

Program: Master of Science Program in Research Methodology and Data Analytics

Department of Mathematics and Computer Science

1. Number of students limited to 11

2. Plan of study A1 and A2

3. Total credits

Course Structure	A Number of Credits	
	Plan A1	Plan A2
Credit	-	15
Selected	-	3
Thesis	36	18
รวม	36	36

4. Qualification of applicants

Plan A1

- 1) Graduate with a bachelor's degree (B.Sc.) or equivalent with a minimum GPA of 3.0 or
- 2) Graduate with a bachelor's degree (B.Sc.) or equivalent with a cumulative GPA of more than 3.00 and possess certain acceptable levels of experience in conducting research projects and need to be approved by the RMDA committee.
- 3) Qualifications other than 1) and 2) must be at the discretion of the RMDA committee.

Plan A2:

- 1) Graduate with a bachelor's degree (B.Sc.) or equivalent
- 2) Qualifications other than 1) must be at the discretion of the RMDA committee and other qualifications must be in accordance with the PSU Regulations on Graduate Education, B.E. 2565 (2022).

5. Required application documents: No

6. Test schedule

Subject	Date and Time	Venue
Interview the knowledge of the principles of statistics	Contact directly to the applicants around March 2024 and October 2024	Via Zoom

7. Program's recommendation

This program was initiated in 1995. The language uses for dissertation is English. Teaching and learning for the current revised curriculum in 2021 are all in English. Some contents on data management, data visualization and data analysis will be taught by Professor from abroad. The careers for those who graduated from this program are data analyst, data scientist, statistician, researcher, policy and planning analysts, etc.

8. Contact person

8.1 Assist. Prof. Dr. Rhysa McNeil

Head of Master of Science Program in Research Methodology and Data Analytics

Department of Mathematics and Computer Science, Faculty of Science and Technology

Prince of Songkla University, Pattani Campus, e-mail: rhysa.m@psu.ac.th.

Mobile: 0872882646

8.2 Assist. Prof. Dr. Mayuening Eso

Department of Mathematics and Computer Science, Faculty of Science and Technology

Prince of Songkla University, Pattani Campus, e-mail: mayuening.e@psu.ac.th

Mobile: 0808721260

9. Tuition fee 56,000 Baht per semester
