

Program.... Doctor of Philosophy Program in Mathematics (Full time)

The program's objective is to equip graduate students with the necessary research and teaching abilities so they can produce new mathematical knowledge in their chosen topic while working under the guidance of experts. The program offers a number of academic courses and additional activities to make sure students are prepared for employment after graduation.

1. Number of students limited	5																		
2. Plan of study	Plan 1.1																		
3. Instruction Administration	Monday - Friday																		
4. Format of Instruction	Online / onsite																		
5. Tuition fee	56,000 Baht per semester																		
6. Course Structure	<table><tr><th rowspan="2">Course Structure</th><th colspan="3">Plan of study</th></tr><tr><th>Plan 1.1</th><th></th><th></th></tr><tr><td>Thesis</td><td>48</td><td></td><td></td></tr><tr><td>รวม</td><td>48</td><td></td><td></td></tr></table>			Course Structure	Plan of study			Plan 1.1			Thesis	48			รวม	48			
Course Structure	Plan of study																		
	Plan 1.1																		
Thesis	48																		
รวม	48																		
7. Qualification of applicants	<p>- Applicants must have Master’s degrees in Mathematics with GPA at least 3.25.</p> <p>- Applicants applying for Plan 1.1 must have at least 3 publications in acceptable international journals.</p> <p>- Applicants must satisfy one of the following minimum English requirements (taken within the last 2 years).</p> <table><tr><td>English Examination</td><td>Requirement</td></tr><tr><td>PSU-TEP</td><td>Total score of 50%</td></tr><tr><td>CU-TEP</td><td>Total score of 50</td></tr><tr><td>TOEFL (Paper Based)</td><td>Total score of 450</td></tr><tr><td>TOEFL (Institutional Testing Program)</td><td>Total score of 450</td></tr><tr><td>TOEFL (Computer Based)</td><td>Total score of 133</td></tr><tr><td>TOEFL (Internet Based)</td><td>Total score of 45</td></tr><tr><td>Academic IELTS</td><td>Overall band score of 4.5</td></tr></table> <p>- Applicants must meet the Graduate School’s academic policies and additional policies from the curriculum administrative committee.</p>			English Examination	Requirement	PSU-TEP	Total score of 50%	CU-TEP	Total score of 50	TOEFL (Paper Based)	Total score of 450	TOEFL (Institutional Testing Program)	Total score of 450	TOEFL (Computer Based)	Total score of 133	TOEFL (Internet Based)	Total score of 45	Academic IELTS	Overall band score of 4.5
English Examination	Requirement																		
PSU-TEP	Total score of 50%																		
CU-TEP	Total score of 50																		
TOEFL (Paper Based)	Total score of 450																		
TOEFL (Institutional Testing Program)	Total score of 450																		
TOEFL (Computer Based)	Total score of 133																		
TOEFL (Internet Based)	Total score of 45																		
Academic IELTS	Overall band score of 4.5																		
8. Application documents required by program	<p>- Official academic transcripts from your Bachelor’s studies and / or Master’s studies (with officially certified English translation) or/and an official document stating that you are in your last year of studies and you are about to graduate in an academic year 2024.</p> <p>- letters of recommendation from academic advisors / project advisors and / or instructors. (the recommendation letters must be in sealed envelopes and signed.)</p> <p>- Official language certificates such as TOEFL, IELTS or PSU GET.</p> <p>- Official academic transcripts from your Bachelor’s studies and / or Master’s studies must be presented on the interview exam date.</p> <p>(All supporting documents must be in English language, and must have been officially issued and certified by the respective university, government office, or embassy.)</p> <p>- Submit documents to Assoc. Prof. Dr. Supawadee Prugsapitak, Division of Computational Science, Faculty of Science, Prince of Songkla University, Hat Yai, Songkhla 90110</p>																		

9. Contact info	<p>Assoc. Prof. Dr. Supawadee Prugsapitak, Email: supawadee.p@psu.ac.th</p> <p>Division of Computational Science, Faculty of Science, Prince of Songkla University, Hat Yai, Songkhla 90110</p> <p>https://www.sci.psu.ac.th/computational-science/</p>

Test schedule

Subject	Date	Venue
Basic knowledge on the proposed research topic	Will inform later
