

Doctor of Philosophy Program in Geophysics (International Program) (Full time)

It is a research based program, so that student need to do the research thesis in their interest topics. However, non-credit course works are needed case by case depends on their background. Plan 1.1 requires 3 seminar courses, while plane 1.2 requires 4 seminar courses and student must attend the class. A number of scholarship is available for the students.

1. Number of students limited	10																		
2. Plan of study	Plan 1.1 and Plan 1.2																		
3. Instruction Administration	Monday - Friday																		
4. Format of Instruction	Onsite																		
5. Tuition fee	56,000 Baht per semester																		
6. Course Structure	<table><tr><th rowspan="2">Course Structure</th><th colspan="3">Plan of study</th></tr><tr><th>Plan 1.1</th><th>Plan 1.2</th><th></th></tr><tr><td>Thesis</td><td>48</td><td>72</td><td></td></tr><tr><td>รวม</td><td>48</td><td>72</td><td></td></tr></table>				Course Structure	Plan of study			Plan 1.1	Plan 1.2		Thesis	48	72		รวม	48	72	
Course Structure	Plan of study																		
	Plan 1.1	Plan 1.2																	
Thesis	48	72																	
รวม	48	72																	
7. Qualification of applicants	<p>- Plan 1.1</p> <p>Student hold master degree in Geophysics, Physics, Geology, or related program or master degree in engineering who have experience in geophysical research. The other fields of appliance is considered by the program committee. The other qualifications follows the regulation issues of the University.</p> <p>- Plan 1.2</p> <p>Student hold a good grade (>3.00) in Bachelor degree in Geophysics, Physics, Geology, or related program or Bachelor degree in engineering who have experience in geophysical research. The other fields of appliance is considered by the program committee. The other qualifications follows the regulation issues of the University.</p>																		
8. Application documents required by program	<p>- A Copy of transcript</p> <p>- Publications or a report of research</p> <p>- Two recommendation documents from advisor, lecture or director</p> <p>- A draft research proposal for thesis</p> <p>- A result of English test. TOEFL (PB 450, ITP 470, CB 133, IBT 45), IELTS 4.5, PSU GET 50%</p>																		
9. Contact info	<p>Assoc.Prof.Dr.Sawasdee Yordkayhun, Division of Physical Science, Faculty of Science.</p> <p>Tel.0-7428-8765, E-mail : sawasdee.y@psu.ac.th</p> <p>https://www.sci.psu.ac.th/en/program-in-physical-science-en/</p>																		

Test schedule

Subject	Date	Venue
Research topics in geophysics	The program will contact the applicants directly to provide the details.
